PARTY LIGHT

I. Polar Animal

DESIGN STORY

when night is falling, the animals from different countries, height and latitude are quietly getting together for star party. They are sharing fun in this peaceful grassland to compose a wonderful night party. XcellentDesign intent to communicate the concept of the Earth protection and resources sharing, through a series of night lamps filled with fun, deeply rooted in the child's heart.

DESCRIPTION

Penguin and Polar Bear represent Antarctic and Arctic to remind people that sea-ice melting has threatened their survival. Innocent expression looks cute but also reminds us of their helplessness. These night lamps are designed with proper brightness by low power consumption and even dimmable to reduce useless light. It could be a night lamp in your rooms, also could be a portable lamp in backyard dinner or camping tent.
