LOTUS LAMP

DESCRIPTION

The eight-petal lotus represents the Bodhi heart, as it goes from budding to blossoming. The seven lamps with a lotus in a different state on each of them seem to be recounting a journey of life. Each light plate is handcrafted, with technology and craftsmanship integrated resulting in great beauty. A white round plate is used at the center of the lotus to symbolize well-roundedness. The round plate may be used to hold your favorite small Buddha statue or other objects of your liking. It will accompany you in finding growing happiness.
