LOTUS

LOTUS PENDANT

DESCRIPTION

The eight-petal lotus represents the Bodhi heart, as it goes from budding to blossoming. The seven lamps with a lotus in a different state on each of them seem to be recounting a journey of life. Each light plate is handcrafted, with technology and craftsmanship integrated resulting in great beauty. With lotus lamp placed up-side-down, their floral shapes are transformed into canopies, chandeliers with classic sophistication. When hung in different ways, the lamps create different artistic looks. Visually, they look like regal canopies used in the ancient times during outings of emperors and royalties, showcasing an aesthetic that is classic and refined.
