SEAN

SEAN PENDANT

DESCRIPTION

The retro trend led us back to the 1960s. Round geometry is the mark of this age, even the James Bond 007 films apply the spiral disc as the opening. SEAN, a 50cm luminous dome with central metal light engine intent to create a light with industrial style and neutral simplicity. XcellentDesign's signature light guide engraved with a numbers of round diamond patterns to reveal a crystal shinny upon the hazy texture. Flowing down through the arc surface light guide, the luminous shape is more concentrated, suitable for dining, living room or study.

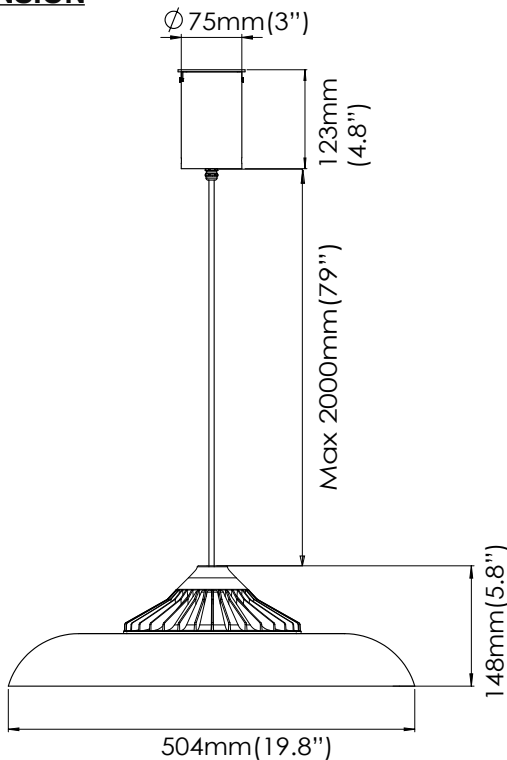

FEATURE

- Invisible LED refraction through millions tiny lenses with gentle, glare free illumination.
- The light is diffused to both side of light guide that balance the brightness discrepancy and reduce glare.
- More concentrated light shape, suitable for dinning, living room or study.
- Unique heat sinking design to last lifespan.
