MELODY

MELODY PENDANT

DESCRIPTION

In Chinese culture, magpie is a symbol of happiness. The singing of a magpie foretells good luck and happiness. That's why Chinese people call it 'Happy Magpie'. Xcellent Design presents this traditional delight image with modern and simple design. The two rectangle shape panels can be opened and closed. When closed, it presents a magpie drawing with beautiful melody as called. When opened, it looks like a glowing house indicates the elegant and subtle expression of home harmony. MELODY is suitable for placing in the entrance, dining table and living room.

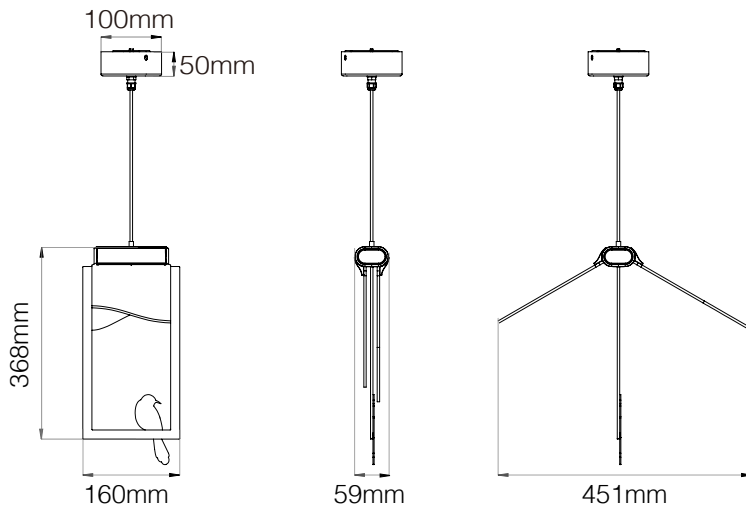

FEATURE

- Two melody panels can rotate 0 to 100 degree by opening and closing. The different angles create various visual image and illumination range.
- The light from panels radiate a uniform, low glare and comfortable light, no shadows under multiple light emitting.
- Excellent heat sinking integrated by design for LED longevity and safety.
- Meets IEC/EN 62471
- Comply with Triac dimming.
- Flat packing is convenient to delivery and easy to install.
